1st day:: Arrival in Makarska ::

If You are arriving by an airplane we will organize the transfer for You from the airport to Makarska. If You are coming on Your own we will meet in our suite. You will be introduced to Your guide and the whole group there before dinner and as well as get the opportunity to get know each other better, be informed about the programme and make arrangements for the following day.

2nd day :: Sea Kayak ::

You will be transferred to a small village Pisak on the coastline. After a short preparation and getting familiar with gear and paddling technique we will paddle along the picturesque coastline toward the small bay Vruja. En route we will stops on beautiful hidden beaches, try climbing steep rocks directly from sea level... In the bay Vruja we will "play" on a strong underground river spring which will "bounce" us in its whirlpool. We will continue paddling to the village Brela, where our cars will be waiting for us.

Paddling: 4 h

3rd day :: Mountain Bike ::

Bicycles and guest will be driven to a small village near Makarska, Baška Voda. From that point sets off a bicycle tour through Baška Voda – "lungo mare" (along the coastline) over Baško Polje, picturesque villages Promajna, Bratuš and Krvavica, and further along numerous hidden beaches accompanied by a constant wave sound to Makarska. After a short break we continue through the wood-park Osejava, village Tučepi to Podgora, where our vehicles will be waiting for us.

Bicycle ride: 3 h

4th day :: River Kayak Safari ::

Transfer to the put-in site on the river Cetina. We will paddle downstream in two-sit kayaks accompanied by a professional guide through a breathtaking canyon of the crystal-clear river over numerous rapids and small waterfalls to the village Blato na Cetini. Whole trip leads through the steep canyon in which only rapid murmur and wading birds cries can be heard.

Kayaking: 3.30 h

5th day :: Canyoning ::

This day will offer You unforgettable pleasure. We will be walking along the river which cut its canyon more than 100m deep, jumping from rock to another rock, swimming in countless lakes, letting numerous rapids to throw us from one to another, passing through the tunnel which will lead us to the foot of 30-meter waterfall Gubavica. The end of this magnificent day is a jump into a small lake and going out of the canyon where our vehicles will be parked.

Canyoning: 4 h

6th day :: Rafting ::

On this day we will explore the downstream flow of the river Cetina from the village Penšići to Radmanove mlinice. After being given a safety talk and a short instruction on behaviour on the river we will travel in a raft over numerous rapids, enjoying again in this beautiful serene wilderness trip through the canyon, which the crystal-clear river cut into the mountain creating different shapes which are named in colourful names by local folks such as Studenac (Bone-chilling cold), Oblačnik (Cloud creator), Tisne Stine (Narrow rocks), Otok Ljubavi (Love island)...

Rafting: 3.30 h

7th day :: Hiking ::

On this day we will experience spectacular views from mountain Biokovo. We will climb on foot from the small village Makar to the mountain peak Vošac, which offers a magnificent view of the whole Makarska Riviera, all coastal places between city Split and town Ploče as well as on all central Dalmatian islands. From Vošac we will be driven to the highest peak of Biokovo Sv. Jure (1.762 m), presiding over the whole area of Zabiokovlja to Sinj and Vrgorac, and mountains of Bosnia and Hercegovina around the town of Mostar and the city of Sarajevo... Return in vehicles.
